

# U.S. Army North (Fifth Army)

*"Strength of the Nation"*

## Fact Sheet

Headquarters, U.S. Army North (Fifth Army)  
Office of Public Affairs  
1400 E Grayson St., Building 44  
Fort Sam Houston, Texas 78208

### Fact Sheet: U.S. Army North COVID-19 Hospital Support Beginning August 2021

This fact sheet reflects a joint military operation which began August 2021 and is part of the whole-of-government response to the COVID-19 pandemic.

Since then, approximately 255 military medical personnel from the U.S. Army, U.S. Air Force and U.S. Navy are working or have worked alongside civilian healthcare providers in civilian hospitals, helping treat COVID-19 patients in eight states (details below).

U.S. Army North, U.S. Northern Command's Joint Force Land Component Command, manages on behalf of the combatant command the Department of Defense's COVID-19 response operation in support of the Federal Emergency Management Agency and the Department of Health and Human Services.

#### Alabama

In Alabama, two teams of approximately 20 military medical personnel, one from the U.S. Air Force and one from the U.S. Navy, are supporting or have supported the state at two hospitals in two cities:
